#91: Political Gabfest (2013)

Download .MP3

336 mins | 64 kbp/s | 155MB

Slate's political commentators David Plotz, John Dickerson, and Emily Bazelon cover the week's major political topics. The trio, who began the show in 2007, gab back and forth about domestic and international issues, turning out a show that is always entertaining and usually insightful. Topics in the 2013 year included the NSA and government spying, drones, gun control, marijuana, Syria, drones, and the government shutdown. When it comes to political podcasts, the Political Gabfest must surely be at the very top.

Find new old episodes of the Political Gabfest at the show's official website.

Notes

The Political Gabfest was a production of Slate. All clips in this episode is the property of that party. This episode has been mastered at 64kbp/s, at the original audio quality of the shows available to us. The cover image is Capitol Hill from the Side and is used under a Creative Commons license.

Do you ever plan to release best-ofs for earlier years of the Gabfest or do you think it's too out of date? I just really enjoy listening to it, and the iTunes archives only goes to August 2012.

I think I have a full Gabfest up to 2009 (maybe 2010?), and I certainly plan to do best-ofs for those previous years -- it's just a matter of finding time, which unfortunately I'm a little short on these days. But we'll get around to it eventually!

That should read "a full Gabfest archive," by the way.
